June 10, 2020

Hello everyone

Did you know that Paul spent most of his life teaching non Jews about Jesus. He started many churches.

Paul as a missionary was thrown in jail, and shipwrecked.

It did not stop him from telling others about Jesus. He knew the Holy Spirit was with him .

Missionaries today can face many difficulties. This is why we have asked you to pray for Natalie and Irene.

So please continue to pray for them.

As you are colouring the Jesus mask this week, praise God for protecting missionaries and their families.

Did you ever ask your mom or dad how they praise God?

Jesus is Our Friend

With the Corona Virus now we cannot play with our friends. If we do see them we have to stay about 6 feet apart. When we cannot get together, that is called isolation. We are isolated now because we do not want to get sick. Your friends are very important and I am sure you miss them during this time. Now you cannot even be together at school.

So what are some ways you can be together from a distance? You can talk on the telephone and you can see them on face time. Your parents might be able to help you see them on videos like zoom. You might be doing your homework on different web sites that can connect you with your friends. Ask your parents and they can help you.

There is one friend who is always right beside. Do you know who that friend is? It is Jesus. He is the Son of God and he loves you very much.

If you are lonely or afraid, you can always talk to your friend, Jesus. How can you talk with Him? You talk with him by praying. You can pray anywhere and anytime because Jesus hears you.

Jesus came into the world to help us and to be our friend. When we read our Bible we will read what Jesus says. He says come and Follow Him. He is our good friend who leads us to do good things so we do not get into trouble.

We should thank Jesus because He gives us our food, our family, our friends, and everything. He wants us to be happy and love Him too. In Hebrews 13:5 Jesus says He will never leave you and will always be with you. Jesus is our best friend in the whole world.
